Pegasus Medical Supplies is a provider of medical equipment, medical supplies and nursing supplies to care homes, nursing homes, hospitals, GP surgeries and individuals.

We have provided an outstanding products and service to over sixty medical clients in four different countries.

We also specialise in critical care technology and disposables and offer support and training on all our state of the art ICU & Trauma equipment.

We have set up reliable distribution points in South Africa, Botswana, Zimbabwe and Zambia and spreading our wings to Mozambique and Malawi in the course of 2018.

We aim to provide you with everything you require at our very competitive prices.

We have thousands of products and brands to choose from, ranging:

- Venipuncture
- Woundcare
- Diabetes tests
- Blood Pressure Monitors
- Thermometers
- Electromedicals
- Sanitary Products
- Books
- Wheelchairs
- Pharmaceutical fridges etc.

Whether furnishing a brand new hospital, revamping a ward or just topping up on the everyday essentials, we will deliver.
